CAN'T STOP THE FEELING – JUSTIN TIMBERLAKE

VERSE 1

C Am C Am

I got this feeling inside my bones, it goes electric, wavy when I turn it on

C Am C Am

All through my city and through my home, we're flying up no ceiling when we in our zone

PRE-CHORUS

C Am

I got that sunshine in my pocket got that good soul in my feet,

C Am

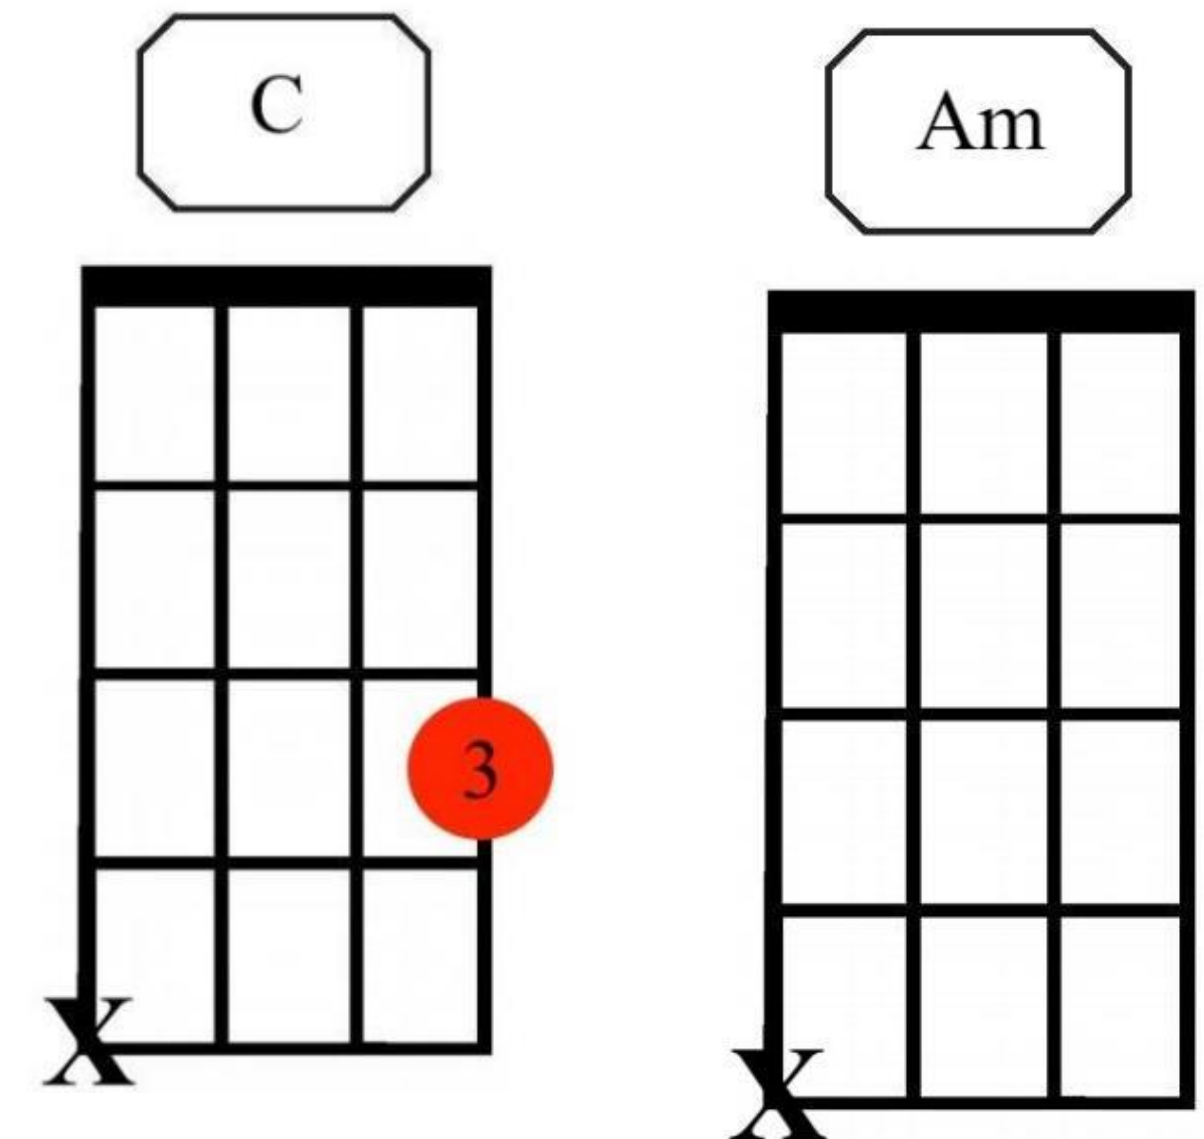

I feel that hot blood in my body when it drops (ooh)

C Am

I can't take my eyes up off it, moving so phenomenally

C Am

Room on lock the way we rock it so don't stop

BRIDGE (don't play)

And under the lights, when everything goes, nowhere to hide when I'm getting you close

When we move well you already know so just imagine, just imagine, just imagine....

CHORUS

C **Am**

Nothing I can see but you when you dance, dance, dance,

C **Am**

Feeling good, good creeping up on you so just dance, dance, dance

C **Am**

All those things I shouldn't do but you dance, dance, dance and

C **Am**

Ain't nobody leaving soon so keep dancing

C **Am**

(Can't stop the feeling) so just dance, dance

C **Am**

(Can't stop the feeling) so just dance, dance
