SCHOOL INFORMATION

Information Sessions

Thank you for joining the information sessions for classes this week. We hope you found the information helpful. Do continue to check the class pages on the school website for key information about classes, including learning overviews.

Flu Vaccinations

Please make sure you have read and responded to the letter attached to the email sent on 7th September regarding giving permission for your child to be given the flu vaccination in school.

Parking and Safety

We have been informed by some parents that there have been some cars parked near or on the zig zag areas alongside the zebra crossing on Littleworth Road making it difficult for families to cross the road safely. Please park safely around school. A reminder that the school car park is for staff only so please do not use this to park in, unless you have permission from the school in advance.

Sickness and Diarrhoea

A reminder children must remain absent from school for 48 hours after the last incident of sickness or diarrhoea. For more information about this, and other common childhood illness. [click here.](#)
